

October 26, 2020

Baseball Parents,

We are gearing up for the 2021 Central Hinds Academy baseball season, and we wanted to share some information to help you plan for the upcoming season.

We are in the process of finalizing the baseball schedule, and we will have it posted to our website as soon as it is finalized. We will do our best to stick to the schedule, however please note that dates and times are subject to changes due to weather conditions and school functions. We will have a Jr. High Baseball team which will consist of 7th and 8th grade students and a HS/JV team which will consist of 9th through 12th grade students. We will utilize the Gamechanger App to keep up with stats throughout the season.

We will order all the necessary baseball gear, uniforms, hats, etc. soon. A \$150 player fee will cover everything that each player will need for the season. We will do a fundraiser to help offset this cost. We are currently working on finalizing the details of the fundraiser, and we will get that information to you soon so you can start selling during the holidays. Each player will be able to apply half of the profit of his fundraiser sales to his player fee, and the other half of the profit will go toward other team expenses. To allow time for each player to fundraise, the player fee will not be due until January 7. Each player will be given an order form to record their sizes, and this form will be due on October 29. Any player, parent, or fan may also order extra items from our BSN store (more info later).

Now that we are transitioning into our next sports seasons, we will begin doing more baseball related activities. This will include a strength and conditioning program, concentration on throwing to build arm strength, working on swings in the batting cage, and incorporating team drills we will use during the season. We will do this until Christmas break. Once we return from the break and start the second semester in January, we will start full team practices. The Jr. High Baseball team will start practice during their 6th period and end at 3:30 PM. The HS/JV Baseball team will start practice during their 7th period and end at 5:00 PM.

We will have our parent meeting in January during which we will cover additional information and answer questions. We will communicate this date to everyone once it is set. In the meantime, if you have any questions feel free to email me at [jbroome@centralhinds.org](mailto:jbroome@centralhinds.org).

Thanks for all of your support, time, and energy. We are looking forward to the upcoming season.

Sincerely,

Jonathan Broome

Head Baseball Coach
