Dear Cougar Families,

We hope that everyone has had a wonderful start to the New Year! This school year has had many challenges and obstacles, but we are looking forward to finishing Cougar Strong. Our faculty is working extremely hard to ensure the health and safety of all of our students.

Due to Covid-19, we made adjustments in our dismissal time to 2:15 to lessen the amount of time students were on campus and risk exposure. We have reevaluated and will be moving our dismissal back to the original 2:45 time. This will allow more time for academics and student engagement. The change in dismissal will begin on Monday, February 1st. As stated in the handbook, we ask to please avoid checking students out between 2:00 and 2:45.

We are extremely excited to announce the addition of a kindergarten assistant. Mrs. Emily Mason will be assisting our K3-K5 teachers with small group instruction, one on one practice, and any other needs of the teachers. We are excited for this addition to help build our kindergarten academics.

We are constantly looking for ways to ensure that our students are receiving an engaging learning experience. We want our students to grow into strong, productive, Christian citizens. If you have any questions or concerns, please reach out to the teachers or administration.

God Bless

Cougar Strong
