

Homecoming Dress Code

CHA Administration

Before you begin to watch...

- If you have any questions following the viewing of this slideshow and want to make sure that you get the most accurate answer, please find Mrs. Stacy Fancher or Mrs. Carlin Specks before or after school. Do NOT interrupt class to ask a question about your dress.
- Also, you **cannot buy tickets** without having seen this slideshow.

Why does CHA have a Homecoming dress code?

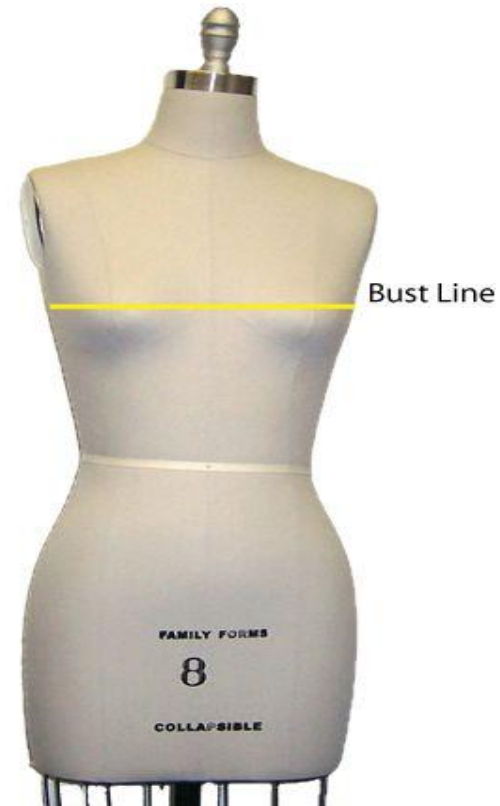

- The administration and faculty want you to make good, appropriate choices, not inhibit your style.
- However, this is a **SCHOOL SPONSORED** event which requires *appropriate attire*.
- We want everyone to be comfortable and safe.

BEFORE WE BEGIN...answer a few common questions:

- 1) Can I wear a strapless dress?
- YES! As long as it meets all other dress code requirements
- 2) What happens if I arrive at homecoming and my dress does NOT meet dress code?
- You will be going home and you will NOT get a refund.
- 3) My date does not go to school here, what if her/his attire does not meet dress code?
- The CHA student (as long as they are in dress code) will be allowed to stay, **BUT your date will be going home and will NOT get a refund.** Please make sure your date has viewed the PowerPoint on dress code and filled out the form.

#1: Dresses may not be cut below the bust line.

- The bust line makes a full circle around your body and includes the side directly under the armpit.
- With your arms down by your side, if skin from your arms touches (or can touch) skin on the front part of your body, *below the bust line*, the dress is inappropriate.

This dress **DOES NOT** meet dress code

□ *If you wore this, you would be asked to leave*

#2: Dresses may be backless; however, they may not be cut below the natural waist.

- Your waist is the smallest part of your midsection. The dress CANNOT be below the small curve of your back.

These dresses meet dress code.

These dresses **DO NOT meet** dress code.

□ *If you wore this, you would be asked to leave.*

#3: Dresses **may not** have the midriffs exposed including both the front and sides.

These dresses **DO NOT** meet dress code.

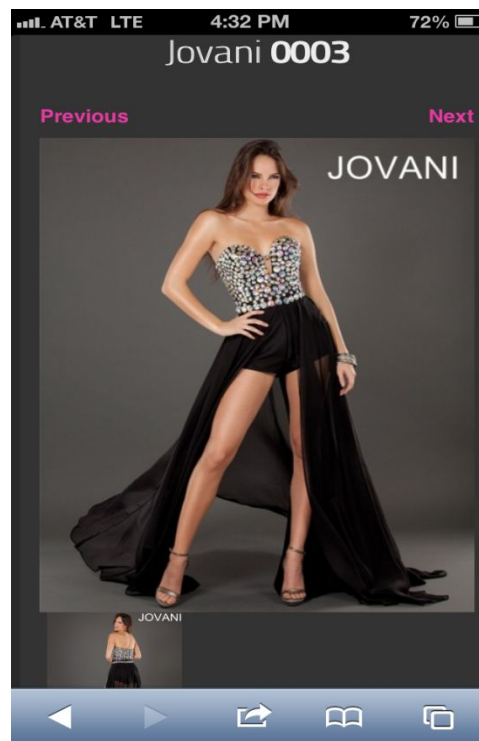

#4: Dresses **may not** be shorter OR have a slit that exceeds where your fingertips touch when your hands hang to the side, including SHORTS .

These dresses **DO NOT** meet dress code.

- ❑ If you wore this, you would be asked to leave.
- ❑ Slits in a dress are included in length, they cannot be shorter than your fingertips.

Other Dress Code Rules

- #5 Dresses may NOT be constructed with *see-through* fabrics such as: Tulle, Netting, or Illusion (skin color inserts).
- #6 No pinning will be allowed as an alteration for a dress if without the pins the dress does not meet the dress code.
- #7 Fabric inserts must be sewn as alterations to the dress. **No skin color inserts** will be allowed. This still gives the illusion.
- #8 No cover-ups (shawls/wraps, sweaters, coats) will be allowed over dresses that **do not meet the dress code**.
- #9 Undergarments should not be visible.

#10: Guys wear dressy/casual

While attending an event such as this, shirts should be worn at all times. **NO JEANS!**

This is inappropriate attire for a formal event.

NO t-shirts with the look of formal attire.

Dress Shirts ONLY

- A formal event requires dress shirts.
- **Removal** of dress shirt is inappropriate and you will be asked to leave with **NO Refund.**

Homecoming Dress Code Guidelines

- While we will be reasonable in our interpretation of these guidelines, **students and guests** dressed inappropriately **will not be allowed to enter or attend homecoming.**

Rumor Has it...and rumor is wrong

- There is **NO refund** for students asked to leave due to dress code violation.
